

PRIVACY NOTICE FOR JOB CANDIDATES

HT Italia S.r.l. values the privacy of its intellectual property information and, above all, its personal data as a fundamental aspect of its operations. We take great care in protecting the personal data of our employees, collaborators, suppliers (such as trainers, competent physicians, consultants, and contractual representatives), and candidates who send us their CVs or participate in selection processes.

DATA PROCESSING PURPOSES

Personal data provided, including contact information and CVs detailing studies, competencies, and past professional experiences, are processed for purposes related to selection and potential recruitment for HT Italia S.r.l. positions.
